Real people, real reviews

I worked with Himi Raina at Prime's Quincy dealership and was pleasantly relieved how professional and honest he was. I dread walking into any car dealership and having to deal with some of the dregs of humanity that work for most dealers, but Himi and the entire Prime South crew were people I'd gladly return to in the future.

Vincent, Google Reviews

The best experience I have had in 30 years of car buying. Victor was no pressure, I had all my numbers going into the sale and transaction was smooth and under 90 minutes! My 2014 Sonata SE is my second Sonata and love it. Highly recommend Prime!

levine, DealerRater

I had an excellent experience with Prime Hyundai South. From the initial email I sent online with my needs, to the follow-up call, to the in person meet & greet, to the final sale, I highly recommend this dealership to all. Those working at Prime Hyundai South are helpful, professional, and focus on the customer's wants, needs, and expectations. Thank you to all for making my experience seamless and easy!
